Connecting Community

Our mission simply would not be possible without community. Our volunteers show up every day to nourish their neighbours and bring connection. Through collaboration with community and corporate partners, we can extend our reach and break down barriers for those needing ready-to-eat meals.

40,825 volunteers hours

11 community freezer partners

3,114 kg fresh produce rescued

~2,170 meals funded by Social Prescribing

Serving Up Support

We owe much of our success to our supporters from individual donors to corporate and foundation partners. We are deeply grateful to those who support our efforts to feed those in need, improve food security and create healthy communities.
